Course description

Can you remember the last time you gave up studying English?

It is one of the most common habits among everyone who starts learning the language, not only you. Especially if you decide to study by yourself (Self Study).

How to learn English and not get confused?

Number of the participants are limited for this course. In fact, our priority is the quality of our services in Tilmaj for our respected followers and students. I am going to share my mistakes with you, in order to aware you of all tips and tricks of Self Study.

Is this course beneficial?

I spent lots of time on preparing this course in order to offer you the most fruitful information. Besides, you have got an excellent guarantee on this course. Regarding any dissatisfaction of the service, you will be paid back.

Here are some common statements of those who have just started the Self Study process:

- I am afraid to make a mistake.
- I am afraid to be teased when I speak English.
- I am afraid to give up, just when I start studying by myself.
- I am afraid not to be able to learn English without a teacher.
- I am afraid not to be genius enough to learn a language by myself.

What happens if I don't purchase this course?

Right now, there are a lot of people not knowing about this course, they are already busy with their routines. BEING RARE IS VALUABLE. If anyone could get the course and put it into practice, then they could speak English fluently.

There must be a reason that not everyone can do so.

Is it possible to learn English at home?

I am going to talk about my very own process of Self Study, mistakes, tips and all useful experiences I have gained through all these years. So if you are wondering whether you can learn English through Self Study, this course can lead you to a safe path of learning English, avoiding errors and mistakes.

What happens if I start the Self Study process without having a right path?

There are thousands of sources on learning English.

You must know that there are numerous methods of learning for different sources.

If you want to test all sources to see which suits you best, you have got to pay way more than this course on it.

You may spend several hours studying by yourself, or study less and get the same result.

One of the most common issues learners face is that they lose their motivation which will be discussed in this course.

The very first steps cover the most important part of your Self Study.

Welcome Message

Welcome. My name is Forogh, and I am your instructor in this course. In addition to welcoming you to the course, I would like to give you some helpful information and a few hints for successful completion of this course.

For many of you, this is your first experience with an online course. Online courses provide a different way to study and place different skills from students. You will find that, as an online learner, self-motivation and discipline are paramount.

I will provide you with support during the course but you should be aware of the self-discipline required to successfully complete this course.

Thank you and good luck

Bio

Hello, I hope you are well, welcome to *Telmaj*

Our message is simple and clear: it's even better to learn English.

What is your dream right now?

Sometimes a dream is so exciting that it has to happen right now. Sometimes a dream is a priority and the conditions for achieving it must be provided right now or the dream will fail. If you have such a dream, what do you do to achieve it?

Not a more interesting question at all.

What do you do if someone says they are paying for your dream right now and allowing it to be achieved?

Tilmaj could be one of those people. Learning English can be a dream for many, especially you who are now on this page.

The whole effort of our team is how to teach English realistically and effectively. In this way, many people help us to be able to do this based on scientific support.

So get started now. It is your right to be able to learn English effectively and like a professional.
